

## UCSF Transplant Nephrology Fellowship Application

Academic Year July 2021- June 2022

Thank you for your interest in the UCSF Transplant Nephrology Fellowship program. The fellowship is a 1-year AST accredited program. We accept 2 transplant nephrology fellows for each academic cycle.

We will be accepting applications starting July 2020. Interviews will be held between July ~ October 2020. The fellowship positions will be finalized at the end of October/ beginning of November 2020.

Completed applications, CV, and 3 letters of recommendations will be accepted electronically by the fellowship coordinator.
